

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE
Transcriber's Office

May 19, 1999

LB 571, 863

State's Office can currently, instantly, verify the registration of any candidate filing for office. The amendment removes an unnecessary duplicative filing requirement that's not needed because of technological advancement. The change only applies to candidates who file for national, state, or congressional office, directors of public power and irrigation districts, directors of reclamation districts, members at large of the boards of community colleges, delegates to national conventions, and other offices filled by election held in more than one county, and judges desiring retention. This does not apply to candidates within a county only. I would urge the adoption of the amendment, and be prepared to answer any questions anyone might have with regard thereto. Thank you.
